

Advance Financial FCU Holiday Cash Official Rules

Promotional Period is October 1, 2021
through December 31, 2021

How It Works:

New Checking Accounts: Receive \$50 when you open a brand-new checking account (\$50.00 minimum balance). Any previously closed AFFCU checking accounts must be closed for a minimum of 7 years for the new AFFCU checking account to qualify. Initial requests must be given by verbal notification to an AFFCU Member Service Representative.

Direct Deposit Incentive: Set up a brand-new direct deposit of your recurring check (\$100 minimum) during the promotional period and receive \$50.00 deposited into your account within 7-10 business days after statement verification.

The direct deposit must be your entire check. Payroll deduction or depositing a portion of your check does not qualify. Transfers from other accounts here at AFFCU or another financial institution do not qualify.

Request to receive the direct deposit incentive must be made at account opening or by March 31, 2022.

Bill Pay Incentive: Sign up for AFFCU's bill pay service, with a minimum of 1 bill paid online per month for the first 3 months and receive \$50 deposited into your account within 7-10 business days after statement verification of the third payment made.

Bill payments of AFFCU loans do not qualify, and bill payments must be for an entire bill or the required minimum payment (nothing less).

Request to receive the bill pay incentive must be made at account opening or in person by March 31, 2022.

Checking account and direct deposit must remain open for a minimum of six (6) months or the incentives will be debited from your account.
